Audio Interview: New Research on Possible Treatments for Covid-19

Eric J. Rubin, M.D., Ph.D., Lindsey R. Baden, M.D., and Stephen Morrissey, Ph.D.

The rapid spread of SARS-CoV-2, a novel coronavirus that emerged in late 2019, and the resulting Covid-19 disease has been labeled a Public Health Emergency of International Concern by the World Health Organization. What physicians need to know about transmission, diagnosis,

and treatment is the subject of ongoing updates from infectious disease experts at the *Journal*.

In this audio interview conducted on March 18, 2020, the editors look beyond supportive care to evaluate possible treatments for the disease.

An audio interview with Eric Rubin and Lindsey Baden is available at [NEJM.org](https://www.nejm.org)
