Pediatric Lung in Rome

Rome, 15 October 2016

The main goal of the European Respiratory Society (ERS), American Thoracic Society (ATS) and Società Italiana Malattie Respiratorie Infantili / Italian Pediatric Respiratory Diseases Society (SIMRI) is to promote research, education, patient care, and advocacy in pediatric respiratory health.

The Pediatric Lung in Rome meeting, will be held within the framework of the annual SIMRI Conference to facilitate an exchange of views between members of the ATS Pediatric Assembly and the ERS Pediatric Assembly by sharing information and experience on pediatric respiratory diseases, with the aim of reviewing successful strategies, and identifying barriers to the implementation of more recent medical knowledge.
